# Being a Member Pays!

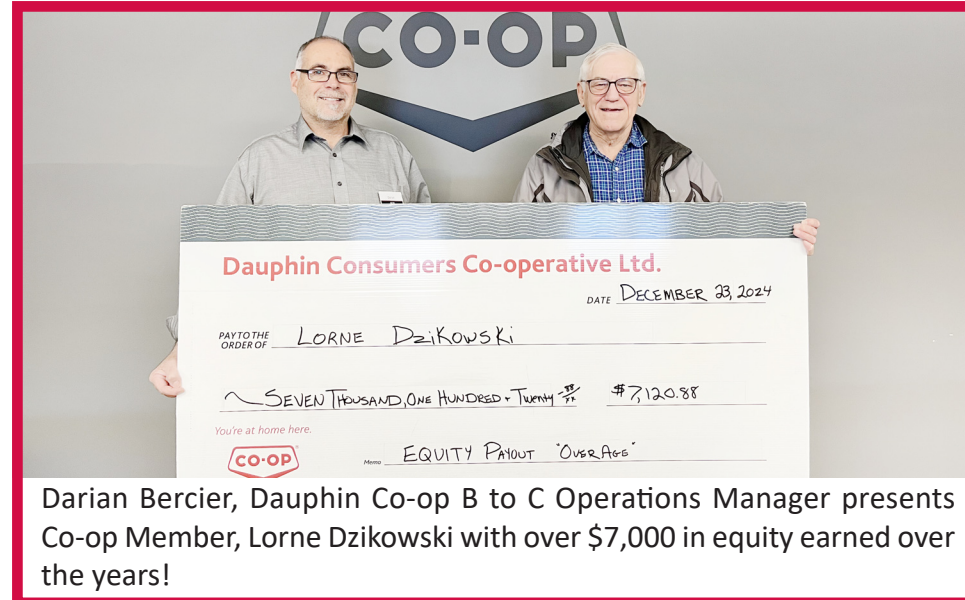

## DAUPHIN CO-OP IS A DIFFERENT KIND OF BUSINESS

We are owned by our Members. Co-ops provide top quality products and pricing PLUS only Members earn equity on purchases!

Lorne Dzikowski, Co-op Member/Owner, recently received a tax-free equity payout of over \$7K. Lorne believes in the co-operative business model with profits going back to its member/owners and staying in the community.

"My wife and I were Co-op Members at Swan Valley Co-op and after moving to Dauphin, the first thing we did was get a membership with Dauphin Co-op. Over the years, your equity quietly grows, and then you receive a very nice bonus to enjoy," said Lorne.

Lorne knows the value of a Co-op membership and what Co-ops mean to a community.

Darian Bercier, Dauphin Co-op B to C Operations Manager presents Co-op Member, Lorne Dzikowski with over \$7,000 in equity earned over the years!
